Peer Feedback Assignment — Progress Reports

February 26, 2020

Due: Monday March 2, 2020 via Quercus

Worth 2% of course mark

Read the other two group's progress reports, and provide each group with constructive feedback. Your peer feedback should be specific, actionable, useful, and appropriate. For each progress report, write no more than 1 page of feedback which includes answers to the following:

1. In 4-6 sentences, describe the group's project.
2. What parts of the progress report were confusing and could be clarified?
3. What parts of the progress report were the most useful for your understanding?
4. Suggest at least 3 improvements that could be made to the report.
